

Introduction to Pen Turning (Parkland Class)

Class Code: PWS091317

Description: Students will learn basic spindle-turning skills to turn and assemble a beautiful wooden “slimline” (7mm) style pen. You will learn how to use and assemble the various components in a pen kit, as well as the mandrel, pen mill, and pen press. Each student will take home a personally crafted pen to use or give as a gift to someone special.

Instructor: CUWS Staff (classes@cuwoodshop.com)

Location: CU Woodshop School of Woodworking, 1302 Parkland Court, Champaign

Class Dates and Times: Wednesday, 9/13/2017, 6pm-9pm

Total Classroom Time: 3 hours

Number of students: 2 (min) to 4 (max)

Cost: \$75 includes all materials and supplies.

Prerequisites/skill level required: No previous experience needed.

Recommended Book: The Pen Turner's Bible, by Richard Kleinhenz (available at CU Woodshop Supply).

Comments: Students are encouraged to bring their own safety glasses and dust masks.
