

# Introduction to Pen Turning

**Class Code:** CKJ071817

**Description:** Students will learn basic spindle-turning skills to turn and assemble a beautiful wooden “slimline” (7mm) style pen. You will learn how to use and assemble the various components in a pen kit, as well as the mandrel, pen mill, and pen press. Each student will take home a personally crafted pen to use or give as a gift to someone special.

**Instructor:** Kerry Jannusch

**Location:** CU Woodshop School of Woodworking, 1302 Parkland Court, Champaign

**Class Dates and Times:** Tuesday, 7/18/2017, 6pm-9pm

**Total Classroom Time:** 3 hours

**Number of students:** 2 (min) to 4 (max)

**Cost:** \$75 includes all materials and supplies.

**Prerequisites/skill level required:** No previous experience needed.

**Comments:** Students are encouraged to bring their own safety glasses and dust masks.
